Ms. Gabriel,

I was referred to you by Hien Vu, examiner of 09/944,266. We have discovered that the PTO made a mistake by mailing a notice of allowance and supplemental notice of allowability to the wrong attorney. The Notice of Allowance was sent back in February and the supplemental was mailed last October.

It appears that the mistake was made in December 2003. If you look at the system, the transaction history for this case shows a change of address however, there is no change of address in the image portion of the file and the applicant DID NOT change attorneys.

Thus, we need this information removed immediately and new notice of allowance and supplemental notice of allowability remailed to allow time for a timely payment of the now overdue issue fee payment.

The Examiner did not know how to fix this and thought maybe you can be of service. This matter is very important.

Thank you for your help and I look forward to your response.
